If you have never received a free subscription to **SOFTALK** magazine, you may receive one compliments of S.D.S. by completing and returning this form.

SOFTALK is a magazine intended for people who own Apples. Whether you're a programmer or not, you'll see what the rest of the world is doing with their Apples, as well as get the most out of your own.

This offer may not be used to extend a current subscription or to obtain a second free subscription to **SOFTALK**.
